Buying a ticket

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must buy your tickets before boarding your train.

If you board at a station where ticket buying facilities are not available, you can buy a full range of tickets from the conductor on your train or at the end of your journey. It's your responsibility to make sure you have a valid ticket:

#buybeforeyouboard
