11 December 2016  
– 20 May 2017

## Leeds to Carlisle Leeds to Morecambe/ Heysham Harbour

This timetable is a summary of our train services between **Leeds and Carlisle** and between **Leeds and Morecambe/Heysham Port**. Other trains also run between **Leeds and Skipton**.

## How to read this timetable

Look down the left hand column for your departure station. Read across until you find a suitable departure time. Read down the column to find the arrival time at your destination. Through services are shown in **bold** type (this means you won't have to change trains). Connecting services are shown in light type. If you travel on a connecting service, change at the next station shown in bold or if you arrive on a connecting service, change at the last station shown in bold, unless a footnote advises otherwise.

## Buy before you board

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must buy your tickets before boarding your train.

Ticket inspections are carried out regularly and if you board the train without a valid ticket, you risk prosecution. The National Rail Conditions of Travel state that conductors can only sell you an Anytime Single ticket, without discounts, to a station directly served by the train that you are on, or as a minimum to the next station stop where you must leave the train.

If you board at a station where ticket buying facilities are not available, you can buy a full range of tickets from the conductor on your train or at the end of your journey.

It's your responsibility to make sure you have a valid ticket: **#buybeforeyouboard**

## Our types of ticket

**Anytime:** these tickets are valid on any service on the dates shown on the ticket.

**Off-Peak:** these tickets are only valid on off-peak services on the dates shown. Generally off-peak services depart after 0930. Some Off-Peak tickets also have restrictions on travel between 1601 and 1829, Monday to Friday.
