Buy before you board

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must buy your tickets before boarding your train.

Ticket inspections are carried out regularly and if you board the train without a valid ticket, you risk prosecution. The National Rail Conditions of Travel state that conductors can only sell you an Anytime Single ticket, without discounts, to a station directly served by the train that you are on, or as a minimum to the next station stop where you must leave the train.

If you board at a station where ticket buying facilities are not available, you can buy a full range of tickets from the conductor on your train or at the end of your journey.

It's your responsibility to make sure you have a valid ticket: **#buybeforeyouboard**
